London, England

**Subject : Resignation from my position as Director of the Board**

Dear Stuart,

Please accept this letter as notice of my resignation from my position as non-executive Director and Member of the Board of Parkour Earth,

My last day in voluntary position will be 15/9/2018. If technically possible, please remove my name from the website and from the Bank account by that time.

During the past months I have stretched too thin between my various volunteer commitments and this leads me to the difficult but necessary fact that I need to refocus on what is important. Parkour Earth is too time consuming for me. Therefore I have decided to quit my role in PKE in order to refocus on my role as President of FPK.

It has been a pleasure working with you and the Board over the last year. I have sent you some points I analysed during my year among you that you may find useful to consider.

I would like to help with the transition of my duties so that PKE continues to function smoothly after my departure. I am available to help recruit and inform my replacement, so if you need my help on that point or if you need documents from me, please let me know.

Stuart, thank you again for the nice year among you. I wish you and the team all the best. This is not a farewell as I'll still be in touch with you as representative of FPK, which is a member of PKE. I look forward to staying in touch with you and whoever wants to contact me. You can email me anytime at [REDACTED]@[REDACTED].com or call me at +33(0)[REDACTED].

Bonjour de la France

Sacha Lemaire
